To whom it may concern.

I am happy to say that Luca from Italian Painters and decorators, London, of 46 Harrington Road, London E11 4QW has worked extremely well and quickly on an assignment on my daughter's flat.

The preparation and concentrated effort helped us meet our time constraint for her new tenants and I am happy should anyone wish to call me to confirm that his work is of an excellent standard.

Yours faithfully,

Robert Hall (07771 865827)
