

Paola Blasi
Bromley-by- Bow
London

To whom it may concern

I am very pleased to confirm that Luca and Salvatore from Italian Painters and Decorators in London have recently done a great job in my flat.

They have met successfully very strict time constraints and achieved very good results.

Their helpful attitude in recommending the most adequate painting has been particularly appreciated.

I am completely satisfied with the quality and cost of their job and I am very pleased to recommend to anyone.

Regards

A handwritten signature in black ink, appearing to read 'Paola Blasi', written in a cursive style.
